This is an all-inclusive vacation sold as a package including the meals stated above with all taxes and gratuities, your accommodations whether shared or alone, room taxes and resort fees, dance workshops and evening dances. Transportation from the airport is not included, however is only 3 -4 miles from the hotel so a taxi is inexpensive. We also go out to Broadway At the Beach on Friday night. We have been successful in lining up a taxi company that will bring us all there, and then we can come back whenever we want and don't have to be together. The cost is less than \$10.00 each way per person based on riders. This new hotel will be checking rooms booked individually prior to our arrival as they should be booked through A+ Vacations. Our contracts require the meals, which is how they have priced our rooms and the conference center. Thank you for understanding. Steve

(Please note, there is a \$25.00 fee on returned checks)
