Sailing in Alaska aboard *Carnival Spirit* is the ultimate in relaxation and adventure. Because once you unpack, all you have to do is have fun. Outdoors, enjoy relaxing whirlpools and wide decks with lots of spacious lounges. The indoor excitement (and there are huge windows everywhere) includes pampering at Spa Carnival, playing your favorite games at the Louis XIV Casino, and dining at the reservations-only Nouveau Supper Club. In short, you'll be dazzled at every turn – by her two-level promenade, wide choice of fine and casual dining, lounges and bars for every musical taste, spectacular Pharaoh's Palace lounge and much more. On the *Carnival Spirit* most of the staterooms have private balconies to give you front-row seats to the spectacular scenery of Alaska. As soon as you come aboard you'll realize this isn't just a ship to take you to see massive glaciers, majestic mountains, fascinating wildlife and all the wonders of the Last Frontier, She's a destination in herself – an island of fun. Fantastic dining, First-rate entertainment, amazingly thoughtful amenities, and service that's beyond outstanding. That's what every guest receives on every "Fun Ship" cruise.
